O R D E R

Issue notice on the application for directions.

We find that the poor child is the object of the parents' emotional and psychological differences if not physically. Therefore, we are of the view that it is high time the Court should take some positive action in the interest of the child and the child should be admitted in a best boarding school in the country as the child cannot be accommodated in the custody of both parties.

List on 20th March, 2018.
